

TESTIMONIAL FOR SENJO SECURITY.

Over the last ten years the Taupo Event Industry has been indebted to the services provided by Senjo.

They have reliably and regularly attended so many of our events and functions. I have personally employed this company for the Cycle Challenge, the Taupo Half Marathon and the Oxfam Trailwalker. They have undertaken such duties as all-night security; pedestrian safety and marshalling traffic diversions.

In all their undertakings the staff of Senjo have delivered with professional efficiency and utmost diligence. Their record is one of exemplary service.

I would recommend Senjo and their accommodating staff for any security or allied engagement in our community.

They are a credit to our whole district.
