Leon Rihia
Director – SENJO SECURITY

Dear Leon,

With reference to Senjo Security and my association with the company as Stadium Manager of the Taupo Events Centre;

We at the Taupo Events Centre have used Senjo Security extensively over the last 18 months to provide security services for a wide range of events, from formal black-tie to expo's and sporting events. At all times the level of service provided by Senjo has been first class, with their security personnel always acting professionally. Leon Rihia has always been available to answer any questions regarding security options available, and leads a very reliable team.

I have no hesitation in recommending Senjo Security in providing security services. Please do not hesitate to contact me if you require further information.

Regards,

Aaron Green
Stadium Manager & Events Coordinator
